This toolkit has been designed to help and support young people to take action and campaign on local mental health issues</p> <p>Item 4: BYF Recruitment</p> <p>Members are asked to note that in January 2020 at the joint Youth Forum / People and Communities meeting, Members agreed to amend the BYF recruitment process to begin in September and end in October in line with the academic year. The previous timeframe was during April and May which conflicted with the exam season for BYF members.</p>

	<p>Members are also asked to note that at the People and Communities meeting in August 2020, members agreed to extend the current cohort of members' term for 1 year. This was due to the impact of Covid-19 and the limitations the environment presented for positive active engagement with young people, schools and service providers during this time.</p> <p>In response to Member's recommendations at People and Communities Committee in August 2020, it was agreed that any current vacant places within the BYF will be filled with the intention of using targeted recruitment to address any gaps in relation to communities which are currently underrepresented in the Forum.</p> <p>Following this, a limited recruitment drive has taken place throughout December 2020 and January 2021 to fill the 10 vacant places within the Youth Forum. Applications were open to everyone, however the recruitment drive was promoted in specific areas of Belfast and with specific groups which were under represented through various means such as social media, engagement with some elected members, engagement with EA Youth Service, promotion through existing area BCC Area Support staff and engagement with existing community contacts.</p> <p>A verbal update will be provided on the updated geographical breakdown of BYF membership.</p> <p>Item 5: NCB Mental health charter for children and young people National Children's Bureau have been working on the development of a children and young person's mental health charter. Belfast City Council have been involved in this as part of a project stakeholder group and Belfast Youth Forum have been referenced within it alongside NI Youth Forum, in relation to the Elephant in the Room report. This charter is due to be launched on 4th February. Further updates on the charter will presented to the Committee after publication.</p> <p>Item 6: Any Other Business</p>
