a) Suicide Prevention

Proposed by Councillor Armitage,

Seconded by Councillor Attwood,

"This Council is deeply saddened by the increasing numbers of people dying by suicide in the city of Belfast. The Council recognises that each death is preventable and, therefore, is an even more painful episode for all; and understands the deep pain shared by families and close friends of those who have died by suicide.

Belfast needs to become a city safe from suicide and the Council needs to work with others to make Belfast a Zero Suicide City. This includes making the safe house in the City Centre permanent, supporting and resourcing those groups who work in counselling and suicide prevention, challenging the taboos of mental health and suicide and ensuring that there is adequate training and resources for all the citizens so that Belfast can react positively to assist those in need.

The Council also calls on the Northern Ireland Assembly to implement the Protect Life 2 Strategy on suicide prevention.”

**(To be debated by the Council)**

The Members of Belfast City Council are hereby summoned to attend.
