1.0	Purpose of Report or Summary of main Issues
1.1	To consider an application from Mr Joseph Rea for the variation of commodities on his Street Trading Licence at the designated site in Castle Place opposite Donegall Arcade, to include the sale of bus tour tickets.
1.2	Committee is reminded that, at your meeting on the 19 September 2018, you agreed to vary the Designating Resolution to allow for the sale of bus tour tickets on condition that any resulting applications to sell bus tour tickets would be considered by the Committee and, if approved, be granted on a one-year trial basis.
2.0	Recommendations
2.1	Based on the information presented and considering any representations received, the Committee is requested to consider the application and decide whether it is minded:

	<ol style="list-style-type: none"> 1. To grant and approve the variation to the Licence on a one-year trial basis, or; 2. Minded to refuse the variation application.
2.2	If the variation to the Licence is refused, the applicant may appeal the Council's decision within 21 days of notification of that decision to the Magistrates' Court.
3.0	Main report
	<u>Key Issues</u>
3.1	Under Section 11 of the Street Trading Act (NI) 2001, the Council may at any time vary the Conditions specified in a Street Trading Licence where an application is made under Section 5 by the Licence holder.
3.2	The Act only allows the Council to vary what the Licence holder has requested; in this case, the variation is for an additional commodity to be permitted for sale, namely, bus tour tickets.
3.3	The Act places a statutory obligation on the Council to grant an application for a Street Trading Licence unless there are sufficient grounds to refuse it.
3.4	<p>Section 9 (1) (a) of the Act sets out discretionary grounds under which a district council may refuse to grant an application.</p> <p>a. That –</p> <ol style="list-style-type: none"> i. The location at which the applicant wishes to trade as a stationary trader is unsuitable; ii. The space in the designated street in which the applicant wishes to trade as a stationary trader is inadequate for the applicant to do so without causing undue interference or inconvenience to persons or vehicles using the street; iii. The area or areas of the district in which the applicant wishes to trade as a mobile trader are unsuitable for the applicant to do so without causing undue interference or inconvenience to persons or vehicles in the area or areas; iv. There are sufficient traders trading in the street, or at premises adjoining it, in the articles, things or services in which the applicant wishes to trade; v. The nature of the articles, things or services in which the applicant wishes to trade is such that their sale or supply, or their preparation for sale or supply, would adversely affect the general amenity of the area in which the applicant wishes to trade; <p>b. That the applicant has, in connection with the application, made a statement which he knows to be false in a material particular;</p> <p>c. That the applicant is, on account of misconduct or some other reason relating to trading activities, unsuitable to hold a street trading licence;</p> <p>d. That the applicant has, without reasonable excuse, failed to avail himself to a reasonable extent of a previous street trading licence;</p>

	<p>e. That the applicant has at any time been granted a street trading licence by the council, which was revoked or could have been revoked on the grounds that he had refused or neglected to pay fees or other charges due to the council in respect of the licence;</p> <p>f. That the applicant has failed to provide the particulars required by the council to deal with the application;</p> <p>g. That the applicant has failed to provide or identify suitable or adequate arrangements for storing any articles, things or receptacles in or with which he proposes to trade.</p>
3.5	<p>Should you be of a mind to use your discretionary power to refuse to vary Mr Rea's Street Trading Licence, Section 12 of the Act requires that he be afforded the opportunity to make representations in writing relating to the proposal, which must be considered by Committee at a future date before a final decision is made on the application.</p> <p>Application</p>
3.6	Mr Joseph Rea has applied to vary his Street Trading Licence for the site in Castle Place opposite Donegall Arcade to include the sale of bus tour tickets.
3.7	Mr Rea is currently licensed to trade Monday to Saturday from 8am to 9pm and on Sunday from 10am to 6pm selling flowers, plants, floral accessories, arts and crafts, balloons and cards from a 3m by 1.5m stall.
3.8	Mr Rea is a very long standing trader and has two other Street Trading Licences both in Castle Lane selling flowers, plants, arts and crafts, floral accessories, fruit and vegetables.
3.9	Members may wish to note that Mr Rea only trades sporadically and seldom uses this site. Mr Rea trades without any other Licence infringements.
3.10	Mr Rea has been invited to appear before Committee and to make a brief presentation on matters such as how he proposes to operate and manage the sale of bus tour tickets and address any concerns associated with the proposal.
3.11	After considering representation from Mr Rea you will then be required to determine the application.
	<u>Financial and Resource Implications</u>
3.12	<p>If the Committee is of the mind to grant the applicant a variation on their Street Trading Licence, the fee is as follows:</p> <ul style="list-style-type: none"> Variation of Licence Application Fee - £100 <p><u>Equality or Good Relations Implications/Rural Needs Assessment</u></p>

1.0	Purpose of Report or Summary of main Issues
1.1	Committee will recall that, at your meeting of 20 November 2018, you considered a report on road closures for special events and the cost to administer the scheme. You agreed that Officers would submit proposals for revised fees for special events to a future meeting.
2.0	Recommendations
2.1	Members are asked to consider the fee for each of the 6 application types and decide, for each of those types, whether: <ul style="list-style-type: none"> 1. To continue to charge the current fee; or 2. Set a revised fee for that application type.

	As these decisions are not a delegated function of the Licensing Committee any decision will be subject to ratification by Council.										
3.0	Main report										
	<u>Key Issues</u>										
3.1	Committee will recall that, at your meeting in April 2018, you agreed the fees, classification of events and the newspapers that the Statutory Notice is published in for road closures.										
3.2	It was agreed that city centre applications are advertised in either the Belfast Telegraph, Daily Mirror (Northern Ireland edition), Irish News or Newsletter (Ulster edition) on a rotational basis. Where a special event extends beyond the city centre to various areas of the city, such as the Belfast Marathon, then the Notice is also placed in one of the four main newspapers.										
3.3	When the event is outside the city centre, the notice is advertised in a local newspaper circulating in that area. This has proven to be problematic, in that some local newspapers are only published on a fortnightly basis and often applications for local events are received at short notice meaning that the advert has had to be placed in a main newspaper, thus resulting in additional expenditure.										
3.4	Where it has been possible applications for multiple road closures have been combined into one notice to help reduce advertising costs.										
3.5	<p>The Council has received 37 applications since April 2018 to close or restrict roads. Below is a summary of the events as per the agreed classification.</p> <ul style="list-style-type: none">• Small event: 2• Large event (City centre): 14• Large event (Outside City centre): 9• Commercial runs including triathlons: 6• Commercial runs, reduced fee (charity): 1• Club runs: 5

	<u>Review of fees</u>										
3.7	Members are advised that not all 37 applications have been fully completed and, since April 2018, 29 Orders for 42 events have been made.										
3.8	To review the fees those 29 applications where the Council has made an Order have been used in the expenditure calculations. For each of these we have recorded officer time spent on each application and the cost of the public Notice (which will vary for each application) to provide the cost of processing the different types of application as set out below.										

3.9	<table><tr><th>Application Type (Number of)</th><th>Total Cost</th><th>Current fee</th><th>Average processing cost</th></tr><tr><td>Large event (City centre) (11)</td><td>£16,102.02</td><td>£1000</td><td>£1,463.82</td></tr><tr><td>Large event (Outside centre) (8)</td><td>£6,294.88</td><td>£650</td><td>£786.86</td></tr><tr><td>Large running event (4)</td><td>£6,697.04</td><td>£1000</td><td>£1,674.26</td></tr><tr><td>Large running event – charity (1)</td><td>£2,598.95</td><td>£125</td><td>£2,598.95</td></tr><tr><td>Club run (3)</td><td>£2,413.50</td><td>Free</td><td>£804.50</td></tr><tr><td>Small local event (2)</td><td>£2,003.68</td><td>Free</td><td>£1001.84</td></tr></table>	Application Type (Number of)	Total Cost	Current fee	Average processing cost	Large event (City centre) (11)	£16,102.02	£1000	£1,463.82	Large event (Outside centre) (8)	£6,294.88	£650	£786.86	Large running event (4)	£6,697.04	£1000	£1,674.26	Large running event – charity (1)	£2,598.95	£125	£2,598.95	Club run (3)	£2,413.50	Free	£804.50	Small local event (2)	£2,003.68	Free	£1001.84

Club run (3)	£2,413.50	Free	£804.50																										
Small local event (2)	£2,003.68	Free	£1001.84																										
3.10	Committee is asked to note the costs in comparison to fee income. In particular, the high cost of processing the large running type events has been due to the complexity of the number of roads to be closed or restricted, which required large Notices being placed in the newspapers.																												
3.11	Members will also be mindful of the need to balance the benefit many of these road closures have had for local communities and sports clubs.																												
3.12	It is suggested that Members consider each of the application types in turn and decide if you wish to amend the fee for each bearing in mind the costs associated with processing that type of application. <u>Financial & Resource Implications</u>																												
3.13	There are direct financial costs attached to the administration of the Act by the Council and, whilst fees have been set, the cost to administer the scheme is only partially recovered from applicants based on our information to date. <u>Equality or Good Relations Implications/Rural Needs Assessment</u>																												
3.14	There are no equality or good relations issues associated with this report.
