Date: 9th March 2022

Dear *Louise,*

Thank you for your correspondence of 10 February 2022 regarding any proposed cuts to higher education funding under the Department for the Economy's budget.

A stable, sustainable higher education sector is important to my Department in securing the supply of high quality local students into a wide range of healthcare professions and we will engage closely with them as they develop their proposals.

Yours sincerely

Robin Swann MLA
Minister of Health
