Please note that District Councils are the lead organisation for Entertainment Licensing and the provisions of the Order under Schedule 1 allows for the application, regulation and restriction following consideration by the licensing authority.

The Order allows for the granting of a licence with conditions with the overarching aim of maximising safety and minimise risk and impact that may result from the granting of a licence. The role of the Police Service in consideration of entertainment licenses is limited. I would however highlight current regulatory practice:

- Private Security Industry Act 2001 – covers the requirement for the provision of licensed activities that may impact this application.
- Responsible retailing code (NI) – covers the responsible promotion and retail of alcohol.

At this time that are no current PSNI objections to the above applications being further considered by Belfast City council, residents, other local business and NIFRS.

If the Licence is granted in due course please forward police a copy with any special conditions or restrictions with confirmation that all Belfast City Council requirements and conditions including all Building Regulations approvals have been adhered to and that any current, relevant COVID – 19 guidance will be considered by the licence holder.

Kind Regards

Donna Tolan  
Licensing Officer, Musgrave Station, Belfast
