Féile an Phobail, literally means Festival of the People, and really is a festival for all the people of the City and beyond, with a community ethos at the heart of our events. The event has grown over the years from being held for 2-3 days to a full 10-11 day internationally acclaimed festival offering an eclectic mix of arts and cultural events, ranging from headline music concerts, comedy, tours and walks, debates and discussions, exhibitions / visual arts, theatre, youth and community and sporting events.

This year’s festival will run from Thursday 3rd to Sunday 13th August.

In previous years, we had requested a license for, and operated between 8 and 11 headline music concerts in the Falls Park. Following significant consultation with the local community, and with our main stakeholders, and having successfully operated on the new event space in 2018, we are maintaining this year’s headline events to 4 - 5.

This year we would request that the Committee consider permitting us to operate this year's headline music events in the Falls Park from Thursday 3rd August to Sunday 13th, with events taking place on the 5th, 8th, 10th, 11th & 13th with the potential for an additional concert on Saturday 12th August (TBC).

We would request that entertainment license be granted to 1am. It is envisaged that only one of these nights, Wednesday 8th August will go to 1am, due to the diversionary nature of the event, which receives the support of the wider community and statutory agencies, including the PSNI and is funded by Belfast City Council. Féile has also agreed to limit / mitigate against any sound issues on this evening by introducing the main acts on stage at an earlier time, an initiative that has been well received in previous years.

This will allow us to develop our plans around some of the diversionary activities we are proposing to do to help with the ongoing antisocial behavior issues that exist within the Falls Park and surrounding areas.

This year Féile will also act as a lead partner for diversionary events on the 8th August (and the lead up the 8th) right across the City, with events taking place and partnering with Féile in Ardoyne, New Lodge, the Market, Short Strand and the Ormeau Road, a significant cross City project aimed at reducing intra and inter community tension, not to mention the anti-social behavior on this date often associated with 'unwanted' bonfires.

Féile has committed alongside local political and community reps to conduct a number of community consultations around this year's events in the park, specifically engaging with local residents and addressing any issues / concerns. Indeed, we have already engaged in meetings with BCC Officers, the PSNI and local residents. We will continue to work alongside the park team and building control in this respect in the lead up to and throughout the festival.

We are currently finalising the acts for this year but have already lined up a range of headline artists that will appeal to all age groups. We would hope to have the running order completed in the next couple of weeks and will forward this to Building Control when completed.

As well as holding two operational meetings already with all stakeholders, we've provided a draft copy of our proposed Event Management Plan and Site Plan but wish to highlight that these are subject to change but can assure the Committee that we will continue to work with Building Control and provide them with regular updates as work progresses in this regard.

As in recent year's we have been in regular contact with the PSNI regarding the event to agree the policing, traffic and transport measures, including parking. The PSNI have always been very helpful and are happy with the plans we have discussed with them. The PSNI are also involved with the diversionary activities we are implementing for the event and the underage activities to resolve the issues of anti-social behavior, etc. currently being experienced in the area.

We've also been held discussion with the Council's Parks Unit regarding the event and the relevant access and egress arrangements along with the timeframe available in order to gain access to start the site build.

If you require any additional information in relation to this year's events, please do not hesitate to contact me.

Yours Sincerely

Kevin Gamble Director
