<b>3.0</b>	<b>Main Report</b>
3.1	<p><b><u>Key Issues</u></b></p> <p>The Committee will be aware that Standing Orders 13 (m) to (r), as agreed by the Council at its meeting on 4th October, are as follows:</p> <ul style="list-style-type: none"> <li>(m) <i>The Standards and Business Committee will have delegated authority to adopt or reject Notices of Motion. The Lord Mayor will indicate at the Council meeting those Notices of Motion that have been considered by the Standards and Business Committee and whether such Notices of Motion were rejected or adopted. In either case, the proposer only may speak on the issue at Council.</i></li> <li>(n) <i>The Standards and Business Committee will refer all Notices of Motion directly to a standing committee when the matter to which the Notice of Motion refers falls within the remit of that committee. At Council, the Lord Mayor will indicate that the Notice of Motion was received and referred. There will be no speakers on such Notices of Motion at Council.</i></li> <li>(o) <i>The Standards and Business Committee will refer Notices of Motion for consideration by full Council when the Notice of Motion relates to a strategic or constitutional matter.</i></li> <li>(p) <i>The Standards and Business Committee will not have the power to amend the wording of any Notice of Motion that is being referred to the full Council for debate.</i></li> <li>(q) <i>Any amendments to Notice of Motions to be proposed at the Council are to be furnished at least one day in advance of going to the full Council and will be circulated to Party Group Leaders in advance of the Council meeting.</i></li> <li>(r) <i>In referring any matter to the full Council, the Standards and Business Committee may determine to restrict contributions to the debate in relation to any Notice of Motion to one per political party. At the Council meeting, the Lord Mayor will clearly indicate if the restriction applies.</i></li> </ul> <p>3.2 The following motion has been received:</p> <p><b><u>Secure Needle/Drug Waste Bins</u></b></p> <p>“This Council notes with concern the rising number of needles being discarded and drug paraphernalia waste in Belfast City Centre from intravenous drug use. Since the city has come out of the pandemic it has seen an increase in the number of vulnerable people suffering from addiction issues in the City Centre. With this increase it has seen that needles and syringes are not only being discarded in public places, but also in</p>

	<p>some standard public waste bins in the City Centre, potentially putting the public and Council staff at increased risk of a sharps injury.</p> <p>It also notes that Glasgow has recently installed a new secure disposal bin to reduce drug related litter and for service users to positively discard of needles after they have finished injecting and improve collective community safety in it's city centre.</p> <p>This council will commit to working with relevant partners, including the Public Health Agency, Government Departments, PSNI, BIDs, businesses and organisations supporting the vulnerable in the City Centre core, towards the installation of specific needle/drug waste bins, in key locations that are known to have high incidences of needle finds.”</p> <p>Proposer: Councillor Brian Smyth</p> <p>Seconder: Councillor Paul McCusker</p>
3.3	<p>The motion calls upon the Council to back the Secure Needle/Drug Waste Bins - the Committee can either adopt the motion, refer it for debate at the Council meeting (with or without restrictions) or reject the motion.</p>
