Ref	Type	Date of Council Meeting	Motion (including hyperlinks)	Proposed by	Referral route	Committee	Agreed actions (agreed decisions from committee/ Council)	Lead officer	Lead Department	Status	Status Update
277	Issue Raised in Advance	13/10/2022	Energy Efficiency Education Programme for citizens	Cllr Smyth	Issue Raised in Advance	Climate and City Resilience		J Tully	City & Organisational Strategy	Ongoing	In 2022 an Energy Efficiency Campaign was run through the Community Planning team, producing advice materials, delivered in a targeted manner through community services, advice centres and outreach teams. A similar approach will be taken to raise awareness during the incoming 23/24 winter period, including energy efficiency guidance and tips being included in the 2023/2024 'Cost-of-Living Support Guide' which has been disseminated widely across the city including being available in 100 public and community buildings as well as via the Council website This will be reviewed with the aim of developing resources that can be delivered on an ongoing basis and in a targeted manner.
278	Issue Raised in Advance	13/10/2022	New Ireland Forum and citizens Assemblies	Cllr de Faoite	Issue Raised in Advance	Climate and City Resilience	Council to write again to Taoiseach office re establishment of New Ireland Forum and citizen assemblies	N Largey	Legal & Civic Services	Ongoing	
296	Notice of Motion	25/10/2022	Belfast should join C40	Cllr Matt Collins	Agreed at Committee	Climate and City Resilience		J Tully	City & Organisational Strategy	Recommend Close	Having enquired about Belfast joining C40 the Climate Unit was informed that membership is at full capacity. C40 are primarily mega cities who will be 3million or more by 2030, and have some innovator cities who are seen as leaders on climate action. However C40 are not accepting new applications at present. The Climate Unit has registered our interest should this open up again, and C40 have asked to be kept informed of any outstanding climate action similar to the CDP A achieved by Belfast in 2022.
316	Issue Raised in Advance	15/06/2023	Felling of Trees in Orangefield Park	Councillor Brian Smyth	Issue Raised in Advance	Climate and City Resilience		J Tully/ Debbie Caldwell/N Largey	Legal & Civic Services	Ongoing	The Dec 23 Committee noted an update provided by Mr. Stephen Leonard, Neighbourhood Services Manager on the next steps and learning from the incident and changes to working practices associated with the tree cutting undertaken by contractors, working on behalf of NIE, at Orangefield Park
317	Issue Raised in Advance	15/06/2023	Climate and City Resilience Dashboard	Cllr Tara Brooks	Issue Raised in Advance	Climate and City Resilience		J Tully/ Debbie Caldwell	City & Organisational Strategy	Ongoing	The Climate Team are working with AWS at present to look at a needs assessment to inform what services a data platform could provide and what data would be required to deliver this. This follows an expression of interest process that took place in 2022 to test the market for providers of platforms.
324	Issue Raised in Advance	10/08/2023	Proposed agenda items for future meetings	Cllr Tara Brooks	Issue Raised in Advance	Climate and City Resilience		J Tully/ Debbie Caldwell	City & Organisational Strategy	Ongoing	Two of the four themed presentations requested (Passivhouse and Embedded Carbon) were included in the Dec C&CR Committee. The other two items requested relate to active travel which is covered by the CG&R committee.
339	Issue Raised in Advance	12/10/2023	Irish Passport Design	Cllr McKeown	Issue Raised in Advance	Climate and City Resilience	The Committee agreed to forward a letter to the Department of Foreign Affairs in Dublin, requesting that they include depictions/landmarks of Northern Ireland in any new proposed Irish passport design.	N Largey	Legal & Civic Services	Recommend Close	Letter sent to Department of Foreign Affairs 10th November 2023
