Please note that District Councils are the lead organisation for Entertainment Licensing and the provisions of the Order under Schedule 1 allows for the application, regulation and restriction following consideration by the licensing authority.

The Order allows for the granting of a licence with conditions with the overarching aim of maximising safety and minimise risk and impact that may result from the granting of a licence. The role of the Police Service in consideration of entertainment licenses is limited. I would however highlight current regulatory practice:

- Private Security Industry Act 2001 – covers the requirement for the provision of licensed activities that may impact this application.
- Responsible retailing code (NI) – covers the responsible promotion and retail of alcohol.

There are no current PSNI objections to the above applications being further considered by Belfast City council, residents, other local business and NIFRS, with attention on the compliance of the conditions in APPENDIX E – Safer Dancing / Reduction in the supply of drugs within the BCC Rules of Management.

If the Entertainment Licence is granted in due course please forward police a copy with any special conditions or restrictions with confirmation that all Belfast City Council requirements and conditions including all Building Regulations approvals have been adhered to and that the Licensing (NI) Order 1996 will also be adhered to by the licence holder.

Can you please ensure that the applicant has registered the premises with the ongoing 'Ask for Angela' campaign as we continue to raise awareness for this simple, yet effective initiative that allows those who may find themselves in a vulnerable situation, with a quick and discreet way to access the help they need. Please feel free to share and encourage your applicants to registered and appear on the province wide map.

The Police Service of Northern Ireland has developed a short training package, in partnership with Hospitality Ulster for the 'Ask for Angela' safeguarding initiative across Northern Ireland. People who feel

unsafe, vulnerable or threatened can discreetly seek help by approaching venue staff. Asking for 'Angela' will indicate to trained staff that this person requires help in the form of; reuniting them with a friend, seeing them to a taxi, or by calling venue security and/or Police. The training package for the scheme is now available to access on the Hospitality Ulster website here:

<https://hospitalityulster.org/askforangela> or on the Northern Ireland Hotel Federation website here: <https://www.nihf.co.uk/ask-for-angela/> Any venue that wishes to take part must **first register via the link** above to sign up to the scheme and then they will be given access to the bespoke training package for their staff and promotional materials for their venue.

Once venues have signed up they will be added to a map that has been designed to make the public aware of what once venues have signed up they will be added to a map that has been designed to make the public aware of what venues are involved.
