Dear Chief Executive

Council Remote/Hybrid Meetings

My letter of 1 March 2024 refers.

Minister Lyons is committed to giving councils the flexibility to hold meetings by remote/hybrid means and will be bringing forward regulations, as soon as possible, using the powers in the Local Government (Meetings and Performance) Act (NI) 2021. The Minister considers this to be more appropriate than continuing to use powers under the Coronavirus Act 2020, which was intended as emergency legislation, and will ensure that councils will have powers for remote/hybrid meetings but based upon more regularised legislation.

A draft of the proposed regulations has been sent to the Department's solicitors for scrutiny. In order to keep the gap in legislative provision for remote meetings to a minimum, the Department, in parallel with obtaining legal scrutiny of the draft regulations, is seeking your input. A first draft of the regulations is attached for your information and comment.

The proposed regulations are very similar to the previous regulations, the Local Government (Coronavirus) (Flexibility of District Council Meetings) Regulations (NI) 2020.

The Department had previously carried out a public call for evidence on remote meetings (from December 2021 to February 2022) and the responses indicated

general support for the arrangements made by the 2020 Regulations and for permanent provision on remote meetings being made.

Please examine the draft regulations and respond by 26 March 2024 with any comments you may have.

Yours sincerely

Anthony Carleton
