The topics covered in these draft SPGs are: Affordable Housing, Retention of Economic Development Land and Retail and Town Centre Uses. The consultation period closes at 5pm on Friday 21 June 2024.
3.4	Council officers have reviewed the detail contained with the MEABC's draft SPG and can advise that they follow the same direction of SPG developed by Belfast City Council. The purpose of SPG is to support and clarify policies included within planning policy framework, including development plans and regional planning guidance. The information set out in SPG is a material planning consideration in determining planning applications. The similar approach taken by MEABC will be helpful from a regional perspective and ensure a consistent approach as councils work towards getting their respective LDPs adopted.
