	 Inchmarlo Prep School, Cranmore Park, Belfast, BT9 6JR 143 Malone Road, Belfast, BT9 6SX
3.0	Main report
3.1	The Second Survey of all of Northern Ireland's building stock, is currently underway, to update and improve on the first List of buildings of special architectural or historic interest which began in 1974.
3.2	 In considering whether to include a building as Listed, the Historic Environment Division (HED) takes into account the architectural and historic interest of a structure and is also given the power to consider: any respect in which its exterior contributes to the architectural or historic interest of any group of buildings of which it forms part; and the desirability of preserving, on the ground of its architectural or historic interest, any feature of the building which consists of a manmade object or structure fixed to the building or which forms a part of the land and which is comprised within the curtilage of the building.
3.3	Should the Department for Communities decide to list a property, this places certain responsibility on the owner, for example, a listed building has to be maintained in a way appropriate to its character and cannot be altered or demolished without prior approval.
3.4	The summaries set out in Appendix 1 for the proposed listings are taken from the evaluation in the consultation report and details the main features alongside the recommended class of listing. The appendix also sets out the summary of the four categories (A to B2) for Listed Buildings in Northern Ireland under the ongoing work as part of the Second Survey.
3.5	The Department based on the completion of detailed surveys, is currently considering the listing the following structures and has requested the Council's comments in relation to: • Inchmarlo Prep School, Cranmore Park, Belfast, BT9 6JR • 143 Malone Road, Belfast, BT9 6SX
