<b>Report to:</b>	Development Committee
<b>Subject:</b>	Development and Outreach Funding
<b>Date:</b>	13 April 2011
<b>Reporting Officer:</b>	John McGrillen, Director of Development, ext 3470
<b>Contact Officer:</b>	Shirley McCay, Head of Economic Initiatives, ext 3459

<b>1</b>	<b>Relevant Background Information</b>
1.1	Belfast City Council's Development and Outreach Initiative was set up to build capacity and boost cultural activity in communities with weak culture and arts infrastructure.
1.2	Project beneficiaries must either have a disability or reside within one or more Belfast wards included in the 50 per cent most deprived wards in the Multiple Deprivation wards and ranks in Northern Ireland (Noble Multiple Deprivation Measure 2005) and the 50 per cent most deprived Output Areas based on economic deprivation (Output Area Level Measure 2005).
1.3	This report provides the Development Committee with recommendations on applications made to the Development and Outreach Initiative 2011–12. The deadline for organisations to submit applications to the Development and Outreach initiative for the 2011–12 period was noon on Friday 25 February 2011. A copy of the guidance notes and application form is provided at appendix 1.
1.4	<u>Principles of the Reporting Process</u> Organisations submitted an application and supporting documentation, such as financial statements and policy documents. Officers undertook a lengthy assessment of all applications, scoring them against the set criteria. These criteria reflect the themes of the <i>Integrated Cultural Strategy</i> .
1.5	A summary of applicant information and assessments (appendix 4) has been compiled by officers in order to: <ul style="list-style-type: none"><li>– highlight the main strengths and weaknesses in the application;</li><li>– ensure optimum transparency as to how decisions on applications have</li></ul>

	<p>been reached; and</p> <ul style="list-style-type: none"> <li>– familiarise Members with various arts and heritage programmes in which the Council invests.</li> </ul>
1.6	Members are requested to use these assessments in tandem with the scores provided in appendix 3. Appendix 2 shows the targeted wards from which project beneficiaries will be drawn. Grant histories for applicants are included at appendix 5.
1.7	It is recommended that no funding should be released until a formal partners meeting attended by an Officer has been held. This will ensure the partnerships are working effectively and that the beneficiary's needs are adequately addressed.
1.8	In addition, successful applicants will be asked to supply evidence of insurance and a re-profiled budget reflecting the Council's actual award.
1.9	<p><u>Level of Applications</u></p> <p>The total amount of funding available under Development and Outreach in 2011–12 is £165,000. Twenty-three applications were received, requesting funding totalling £394,968.94. This is approximately 2.4 times the available level of funding.</p>
1.10	The standard of applications received this year has been very high, and only applications scoring over 60 per cent have been recommended for funding.
1.11	<p><u>Rationale for funding decisions</u></p> <p>Officers have considered project budgets and the rationale for awarding funding is based on the following factors:</p> <ul style="list-style-type: none"> <li>– Strength of the proposed programme as assessed against agreed funding criteria.</li> <li>– Value for money. A reduction in the amount recommended has been suggested where costs are considered high or inflated.</li> <li>– Viability of the proposed programme within the funding offered.</li> </ul>

<b>2</b>	<b>Key Issues</b>
2.1	Members should note that the income and expenditure is presented in this report as a summary of the information submitted, and some budgets submitted contain minor discrepancies. As agreed previously by the Development (Arts) Sub-Committee, Officers have not returned to applicants to request clarification of budgets. However, this has been taken into account in the recommendations.
2.2	The minimum amount recommended is £8,659 and the maximum amount recommended is £14,579.
2.3	Fourteen out of the twenty applications scored over 60 per cent and have been recommended for funding.
2.4	Four applications scored below 60 per cent and are not recommended to receive funding.
2.5	Five applications were deemed ineligible.

2.6	On average Belfast City Council funding represents 45 per cent of project costs for recommended projects.
