

Pride of Place Cities Competition Categories and Proposed Entrants 2011

1. Categories

Self-Contained Geographic Communities (within cities). These will effectively be distinct, tangible communities within the city. The population categories for these communities are as follows:

- under 1,000
- over 1,000

The communities will be asked to demonstrate social responsibility under the following headings:

- How do we care for our vulnerable people (e.g. older people, young people, the disabled and migrant workers)?
- How do we retain our culture and still be welcoming to new people?
- How do we protect our environment?
- How do we respect the built fabric of the community?
- How do we make links between the business community and your community?

2. Themes

1. Community Health Initiative
2. Sport in the Community
3. Community Enhancement project

For the themed categories, groups will be asked to demonstrate excellence in delivery of a local community service.

3. Non Population

- Housing Estates (not population Specific)

4. Proposed Entrants

- Request Committee to approve 4 identified entries
