

Appendix 4: 2012/13 Renewing the Routes Programme: Summary of Projects on Newtownards Road and Ormeau Road

Newtownards Road Update

The commercial improvement programme was the main emphasis of work on the Newtownards Road (from Bridge End to Witham Street). The Newtownards Road scheme is being delivered in two phases, the Council funded programme (£150,000) is now complete with around 38 units receiving cosmetic improvement; and the DSD funded programme (£155,000) which will target around 36 further businesses. In addition there was an environmental improvement scheme at 173-175 Newtownards Road, the junction of Templemore Ave and Newtownards Road.

Ormeau Road Update

Work is now complete on Ormeau Road (from Ormeau Embankment to Ravenhill Road Roundabout). Cosmetic upgrades to 31 commercial properties are now complete. The work to the commercial properties was supplemented by the completion of environmental improvement schemes on some of the road's prominent buildings including Ballynafeigh Orange Hall and Ballynafeigh Community Development Association.
