Dear Mr McNaney

I am writing to confirm that Newtownabbey Borough Council has agreed to investigate the potential to provide a crematorium at a Council owned site on the Doagh Road in the Borough.

I would like to ascertain the interest of other Councils in contributing to the development of this proposal to ensure that any business case meets the needs of the sub region.

I look forward to hearing from you in due course, however in the meantime should you require additional information please do not hesitate to contact me.

Yours sincerely
