Conference & Exhibition

in association with:

The Cremation Society of  
Great Britain

The Federation of Burial and  
Cremation Authorities

The Association of Private  
Crematoria and Cemeteries

Association of  
Burial Authorities

## Cremation & Burial Conference & Exhibition 2012

**Monday 2nd, Tuesday 3rd, Wednesday 4th July 2012 – Hilton Newcastle Gateshead**

We are pleased to announce details of this now well-established and highly regarded event on the annual conference calendar. It has again been organised in partnership with the Cremation Society of Great Britain, the Federation of Burial and Cremation Authorities, the Association of Private Crematoria and Cemeteries and the Association of Burial Authorities.

Continuing the on-going co-operation of like-minded organisations the programme will contain presentations on important issues to all those in the death care industry. It will be of particular interest to representatives from Cremation & Burial authorities who wish to keep abreast of the latest developments affecting their services and facilities.

**Event:** Cremation & Burial Conference & Exhibition 2012

**Conference and Exhibition Venue:** Hilton Newcastle Gateshead, Bottlebank, Gateshead, Newcastle upon Tyne. NE8 2AR

**Dates:** Monday 2nd, Tuesday 3rd & Wednesday 4th July 2012

Imposingly positioned between the famous Tyne and Swing Bridges on the Gateshead side of the river, the Hilton Newcastle Gateshead offers first class conference facilities and a wonderful location with the vibrant city of Newcastle just a 10 minute walk away.

### Costs

Conscious of the difficult economic climate in which all sectors are having to operate, we have negotiated our lowest ever conference delegate fee. This is inclusive of THREE nights accommodation. This fee is exceptional when compared with costs for other conferences/seminars in the industry. If you've never been to a CBCE event before, or you've had a limited choice of conferences to attend, CBCE is not to be missed. Free car parking is provided for conference delegates throughout the duration of their stay.

### Overseas Delegates

This is an opportunity to mix business with pleasure and have the opportunity to experience and explore the many interesting and varied sights of Newcastle and the surrounding area.

**NOTE:** The Cremation Society of Great Britain is the founder and pioneer of the cremation movement in the United Kingdom. It established the first crematorium in the UK and is a founder member of the of the International Cremation Federation.

The Federation of Burial and Cremation Authorities formed in 1924, represents 90% of all cremation authorities in the United Kingdom and some years ago widened its scope to allow full membership of the FBCA to burial authorities.

The Association of Private Crematoria and Cemeteries represents 75% of all private crematoria in the UK. Nearly all new crematoria are being established by the private sector.

The Association of Burial Authorities was formed in 1993 to fulfil the need for a consumer orientated organisation to co-ordinate the activities of burial grounds and provide a tangible link between them and the public.
