Amateur Boxing Strategy (Start-up Club Funding)

The Committee considered the undernoted report:

“1 Relevant Background Information

- 1.1 At Parks and Leisure Committee in October 2012 Members approved the draft budget and workplan for the Amateur Boxing Strategy 2012-2022.**
- 1.2 Members will be aware that within the Strategy, under the theme of Club support and development, an action of providing start-up funding to allow for the development of new clubs across the city was included.**
- 1.3 At its meeting in June 2014 Committee agreed to revisions to the budget area with £10,000 per annum allocated to support and develop new clubs. It was agreed that a further report would b brought to Committee to agree the mechanism and guidelines in providing this support.**

2 Key Issues and Update

- 2.1 The support and development of new clubs complementing existing clubs especially in under-represented areas such as East and South Belfast will be an essential element in the successful legacy of the Amateur Boxing Strategy and key to providing a citywide service to all who may wish to enter the sport.**
- 2.2 The programmes being delivered by our Boxing coaches and clubs citywide are increasing the demand for coaching provision and in-turn this will raise the demand for new clubs especially in areas of underrepresentation such as East and South Belfast. It is anticipated that a number of new club start-up requests for support will be received annually. The programme is actively promoting the sport through after schools activities across the city in liason with existing clubs in each area.**
- 2.3 Recently we have received enquiries for new club start-up support from potential clubs in Oldpark and on the Upper Ormeau Rd. A further enquiry has been received from a Castlereagh Boxing club interested in relocating to the Braniel area. More enquiries are anticipated to be received as amateur boxing develops as a mainstream sport citywide and as such an adopted start-up club fund and criteria for funding is required. A fund of £2500 per applicant has been allocated**

with £10,000 for new start-up grants in the current financial year.

2.4 The application form for funding has been developed by the Steering Group and has been attached as Appendix 1 for new club support funding. Funding will be allocated on a first come first serve basis. The Steering Group following the support of the Sports Development Officer will assess the applications received within the specified guidelines for funding. The Director of Parks and Leisure will approve the proposed grants to new clubs under delegated authority as is currently the process for Support for Sport grants.

2.5 The table below indicates the proposed breakdown of new club funding with some examples of anticipated application requests
