Dear

The Northern Ireland Veterans & Advisory Committee is an independent non-departmental public body. Members are appointed by and responsible to The Secretary of State for Defence (MOD) and the Service Personal and Veterans Agency (SPVA). Members are not remunerated for their work but may claim expenses.

Our role is to provide advice, assistance and support to the Service and ex-Service community (including dependants) and local service providers. We aim to raise awareness of the needs of Veterans and their dependants within local communities. In addition we assist and provide them with guidance on accessing public services and assist with claiming pensions and compensation. With so many young men and women returning from current campaigns around the world with serious injuries, the need for our support in raising public awareness is greater than ever.

As a Sub-Group of the Northern Ireland Veterans & Pensions Committee we would be grateful for the opportunity to give a short power point presentation to your Council to inform you about the work of our committee. The presentation would take about 20 minutes.

Thank you for your consideration of this request and I look forward to hearing from you. If you require any further information please do not hesitate to get in touch with me.

Yours sincerely

Chris Carson
