Special Expenditure Budget - criteria to be applied in the assessment of requests

- (1) whether there are sufficient funds remaining in the Council's Special Expenditure budget for the relevant financial year;
- (2) whether the application for financial assistance links to any of the Council's Corporate Objectives;
- (3) whether the direct benefit to be obtained is specific to the Council or its district or inhabitants;
- (4) whether the activity or initiative in respect of which assistance is being sought is being promoted by a person or organisation living or operating, or otherwise having a direct connection with, the City;
- (5) whether the request for financial assistance relates to an event or initiative which falls within the remit and statutory power of any other Committee of the Council (in which case it should be so referred);
- (6) whether the request relates to a specific event, activity or initiative as distinct from a request for a contribution to general funds;
- (7) whether the benefit to be obtained will be commensurate with the payment to be made.

Notwithstanding the foregoing, the Council would nevertheless reserve to itself the right to give special consideration to any particular request for financial assistance if the Members consider that special circumstances apply and legal advice has been sought where appropriate.
