Folks,

While 2009 has just begun I have been asked to schedule the Spring and Autumn meetings for the Council areas covered by Roads Service, Eastern Division.

The relevant timeframes are:-

Spring - Tuesday 5th May until Monday 29th June

Autumn - Monday 12th October until Friday 4th December

As in previous years, collation, printing and logistical issues do not facilitate more than one meeting being scheduled for a given week. Please therefore nominate a first and second preference date for both the Spring **and** Autumn meeting.

As Mondays and Thursdays have proven popular, the earlier we receive your reply the more likely it is that your first preference can be accommodated.

Thanks.

Terry
