<b>1</b>	<b>Relevant Background Information</b>
1.1	Members will recall that, at your meeting of 16 May 2013, the Head of Building Control outlined that an Amusement Permit Policy had been ratified by Council on 1 May 2013. The overall aim of the Policy is to provide guidance for Members, Officers, applicants and the general public to ensure greater clarity, transparency and consistency in the decision-making process when considering applications for amusement permits.
1.2	Members are reminded that the policy contains five criteria for assessing the suitability of a location for a proposed amusement arcade, viz., <ul style="list-style-type: none"><li>• Impact on retail vitality and viability of Belfast</li><li>• Cumulative build-up of amusement arcades in a particular location</li><li>• Impact on the image and profile of Belfast</li><li>• Proximity to residential use</li><li>• Proximity to schools, youth centres and residential institutions</li></ul>
1.3	Whilst the policy is intended primarily to provide a guide for assessing applications for amusement permits by the Licensing Committee because of its inter-relationship with planning policy Members agreed to establish the following process: <ul style="list-style-type: none"><li>• the Building Control Service will report to the Town Planning Committee when a planning application for an amusement arcade is to be considered; and</li><li>• the Town Planning Committee will include in its response to the Planning Service on any planning application for an amusement arcade reference</li></ul>

1.4	<p>to the Amusement Permit Policy and whether or not the application complies with the Policy.</p> <p>Members are also advised that the Policy, as agreed through formal consultation with DOE (NI) Planning, is now a material consideration for Planning Service in determining planning applications for amusement arcades in Belfast.</p>
