Dear Mr McNaney

PROPOSED 20MPH SPEED LIMIT ZONE IN BELFAST CITY CENTRE

Further to my previous letter of 12 March 2014.

As part of our continuing commitment to the Northern Ireland Road Safety Strategy, Transport NI proposes to pilot an extensive 20mph zone in Belfast City Centre, without the use of physical speed reducing measures. I have attached a drawing showing the proposal.

The 'Notice of Intention' for the legislation will be published in local newspapers on Wednesday 30 July 2014, allowing 22 days for objections or representations.

I would be grateful if you would bring this to the attention of any relevant Councillors.

Yours sincerely

ROY GORDON
