Google Trekker Project – Lagan Valley Regional Park

Google trekker is an off-road mapping system similar to street view maps. It has recently been undertaken by the Belfast Hills Partnership and we are seeking use of the camera equipment to map the main and ancillary paths throughout the Regional Park.

Section 1 - The Towpath

Main priority would be towpath from Blaris Road in Lisburn to Governors Bridge in Belfast.

Section 2 - Next priority trails

Ancillary paths and trails:

1. Lagan Meadows perimeter path and Listers Dam path.
2. Path from courtyard through Belvoir Park Forest, link to towpath at bottom of hill and then on down to connect with Lock Keepers Site.
3. Route on other side of river/canal through Clement Wilson park.
4. Route on other side of towpath from Shaws Bridge to Gilchrist bridge.
5. Long and short route up to Terrace Hill from Minnowburn car park.
6. Continue 5 above to do the Giants Ring loop.
7. Malone house route and on down through Mary Peters back to towpath.
8. Bike trails in Barnetts.
9. Link route through and out the back of STLD.
10. Jubilee park.
11. Derryaghy glen.
12. Linkage trail from Ramblers Bridge round back of Aberdelgy golf course.
13. McIlroy Park linkage route from car park.
14. Hoggs weir to Hillsborough Road.
15. Towpath to Old Warren.
