Dear Sir/ Madam

YORK STREET INTERCHANGE: NOTICE OF INTENTION TO PROCEED

Following the local inquiries for the proposed project, the Inspector has submitted his report.

The Department has considered the Inspector's report and, in compliance with Article 67A (7) of the Roads (Northern Ireland) Order 1993, has decided to proceed with the project, subject to the availability of finance.

Scheme development is well advanced and construction could commence in 2018 with completion in 2021 subject to the availability of funding.

Electronic versions of the documents relating to the scheme, including the Inspector's Report and the Department's Statement setting out its decision, may be viewed at the scheme website <http://www.yorkstreetinterchange.com/index.html>.

A hard copy of the Inspector's Report is available for inspection on request. The Inspector within his Report has addressed each of the individual responses submitted as part of the consultation process.

Any queries should be directed to the Department in writing at Roads.SRITeEastern@infrastructure-ni.gov.uk.

Yours faithfully

D J MILLAR
