3.0	<b>Main report</b>
3.1	<p><u>Key Issues</u></p> <p>The Council, at its meeting on 1st February, will consider the following Notice of Motion which will be moved by Councillor Dorrian and seconded by Councillor Lyons:</p>
3.2	<p><i>“This Council recognises the concerns of many communities across Belfast in respect to ‘problem parking’ in their neighbourhoods, primarily during day time work hours, and recognises the need for further substantive engagement to address and resolve this issue.</i></p> <p><i>To date, strategies and campaigns have had minimal impact in solving these communities’ difficulties.</i></p> <p><i>In mind of ambitious investment and expansion plans contained in the Belfast Agenda, the Council calls for immediate, co-ordinated action to improve parking measures and notes the lack of enforcement action to date with respect to bus and cycle lanes.</i></p> <p><i>This motion also reaffirms the Council’s commitment to full implementation of its car parking strategy, delivering proper parking infrastructure and taking appropriate action against those who show daily disregard for local communities.”</i></p>
3.3	<p>Under Standing Order 13(f), the motion will be referred to the City Growth and Regeneration Committee without discussion.</p>
3.4	<p>If the Committee agrees with the Notice of Motion then a full report on implementation of the parking strategy and any additional measures will be brought back to Committee at the earliest possible opportunity.</p>
