3.0	Main report
3.1	<p><u>Key Issues</u></p> <p>Members should note that not all centres will have a functioning centre committee. This is due to a variety of reasons including lack of public or sector interest in that locality. Officers are currently conducting a community centre committee scoping exercise as part of area working. This will provide us with specific details on the current position across all centres.</p>
3.2	<p><u>Financial & Resource Implications</u></p> <p>As independently constituted organisations, Community Centre Committees can seek external funding to supplement the development of the centre programme and address local issues. Council will also contribute £600 to support the work of the Committee. This is met from existing service revenue budgets.</p>
3.3	<p><u>Equality or Good Relations Implications</u></p> <p>There are no equality or good relations implications.</p>
