Belfast Urban Area Plan Draft Belfast Metropolitan Area Plan 2015 HMO Subject Plan 2015  4.1.1 The site is within the development limit on unzoned land.  4.2 SPPS, Planning Policy Statements: Strategic Planning Policy Statements for NI (SPPS) Planning Policy Statement 3: Access, Movement and Parking (Revised Feb 2005)  5.0 Statutory Consultees Responses  5.1 Dfl Roads – No objection.  6.0 Non Statutory Consultees Responses  6.1 BCC Environmental Health – No objection to the proposal subject inclusion of an informative.  7.0 Representations  7.1 8 neighbouring properties were notified and the proposal was advertised in the local press. No representations were received.  8.0 Assessment  8.1 The proposal is within the development limits for Belfast as identified in the draft development plan (dBMAP 2015). As such the principle of the proposal is deemed acceptable at this location subject to planning and other environmental matters.  8.2 The application site is not within an HMO Policy Area or Development Node as designated in the HMO Subject Plan 2015. Therefore Policy HMO 5 is applicable in this instance.  8.3 Policy HMO 5 permits for 10 percent of any street outside a HMO Policy Area or Development Node to be changed to HMO use.  8.4 This assessment is based on the 400m section of Broadway between Donegall Avenue and Glenmachan Street and does not include the section of Broadway between the Broadway Roundabout and Falls Road as this is not a continuous stretch of road.  8.5 According to Council records this property was not deemed to be in HMO use at November 2004.  8.6 Land & Property Service's Pointer Address database (as at 1 April 2018) indicates that there are 72 dwelling units in the search area. This would allow for 7 No. HMOs on this section of road before the 10% threshold would be exceeded.  8.7 Council records indicate that as of November 2004 there were 4No HMOs in use. This would allow a further 3 HMOs in the section of Broadway.

8.9	A planning history check of the street indicates no recent approvals/decisions relating to HMO development or use have been issued on this section of Broadway since 2004.
	The proposal complies with Policy HMO 6 in that the criteria are either met or are not relevant: the first bullet point is not relevant as the property is not within a Policy Area, nor does it have more than 4 bedrooms; the second bullet point is met in that the HMO is not wholly in the rear of the property and without access to the public street; and the third and fourth bullet points are not relevant as the proposal is not being converted into HMO flats.
8.10	The SPPS is relevant given the perceived impact of HMO development on amenity and parking within the locality. This is concerned with impact on amenity such as noise, nuisance and disturbance; and impact on road safety and traffic circulation.
8.11	Environmental Health was consulted and has no concerns regarding potential for noise.
	The proposed conversion will result in 6 persons sharing the house together. In terms of car parking/impact on existing traffic arrangements, the various policy requirements of the 'Subject Plan' seek to encourage regeneration, address need and demand, and also protect residential amenity, but it is noted that the provision of car parking is not a requirement of the assessment process. Equally, existing Regional Planning Policy and supplementary planning guidance, including the published 'Parking Standards', do not incorporate car parking as a requirement for HMO development. Department for Infrastructure - Roads has been consulted and have no objections to this proposal.
8.13	No operational development is proposed and therefore existing amenity space provision
8.14	is unaffected.  There is no anticipated impact on the visual amenity and character of the area given
	that no external changes are proposed.
