	Key Issues
3.3	The existing revised criteria and scale of charges have been applied to the various requests received and the recommendations herein are offered to the Committee on this basis for approval.
3.4	The schedule attached at Appendix 1 covers a number of function applications for functions, some of which, are scheduled to take place during 2018, although some are scheduled for 2019 and 2020 and are included in order to permit the organisers to commence their event planning and communications activity as early as possible.
3.5	It should be noted that 1 of the applications received has been dealt with by means of the authority delegated by the Committee to the City Solicitor because of the very short timescale involved, and is included in the schedule for information only.
	Financial & Resource Implications
3.6	The implementation of charging for external functions has commenced, in line with the Committee's decisions in the matter.
	Equality or Good Relations Implications/Rural Needs Assessment
3.7	There are no direct good relations or equality implications arising from this report.
