	"International Women's Day on 8th March is acknowledged globally as a day on
	which to celebrate the achievements of women across the world. For the past four
	years, the women's sector in Belfast has marked this special day with a public rally
	to the City Hall. This public event has become popular recently and, for the past 3
	years since 2013, the Council has provided some financial support for it. Providing
	support to an annual public event would be a simple way of demonstrating our
	acknowledgement of this special day and pledging our commitment to working
	towards greater equality of opportunity for all women in Belfast."
	The Council had recognised at its Strategic Policy & Resources Committee meeting of
	January 2014 that this was likely to be a recurring annual expenditure.
3.2	The 2019 event will take place on Saturday 9 March, with the rally arriving at
	City Hall at 1pm for speeches, music etc. on the cobbled area outside the front gates of
	City Hall. The theme of the event is 'The Time is Now – Women Rise Up'. There will be a
	light lunch for 200 people in City Hall at the close of the rally.
3.3	The women's sector in Belfast is very keen that the Council should maintain its support
	for the International Women's Day and has provided estimated costs for similar provision
	this year.
3.5	Financial & Resource Implications
	It is expected that the Council funding contribution will be allocated to cover costs of a
	temporary stage and sound system for the public rally and a lunch for 200 participants in
	City Hall following the rally (similar to costs covered for 2018 event). The budget of £6,500
	will be provided through the existing Organisational Development budget.
3.7	Equality or Good Relations Implications/Rural Needs Assessment
	The purpose of the proposal in this report is to assist the council to meet its equality and
	diversity aspirations. This proposal has been agreed following an initial meeting with the
	organisers of International Women's Day. It is in line with the Council's stated aims as set
	out in its gender equality action plan.
3.8	We do not consider this initiative to have relevance to the social and economic needs of
	persons in the rural areas.
