3.0 Main report

3.1 Sport NI programme

Sport NI commissioned Belfast City Council, along with other Council areas, to deliver the participation strand of Everybody 2020. The aim of the programme is to increase quality opportunities for targeted groups to develop and sustain participation in sport across key life-course transitions.

3.2

Belfast's programme has specific targets which identify women and girls, people with a disability and people living in areas of high social need as priority. Participation evidence highlights disparities and inequalities within those sectors. Committee authorised officers to develop and commission a blend of providers through a public process to deliver Belfast's Everybody Active 2020 targets. Officers have once again commissioned a diverse range of partners with consideration to developing programmes which prioritise participation for women/girls in the 14-25 age group, during which drop off levels are greatest.

3.3

Participation Targets 2019-2020

AREA	Total participants	women/girls	People with a disability	high social need	Sustained participants

Programme delivery will be linked to other investments including workforce development, outdoor recreation infrastructure, small grants and Peace IV to improve the outcomes from EBA2020.

Sport NI has recently indicated a budget of £468,074 for delivery of EBA2020 in Belfast for Year 4 (2019/20). Sport NI have indicated that a letter of offer will be received by Belfast City Council by early March 2019.
