3.5	<p>The Belfast Agenda sets out a vision for 2035 that imagines a culturally vibrant city. The purpose of the cultural strategy is to present a series of priorities that have the potential to contribute significantly to all five outcomes of the Belfast Agenda:</p> <ul style="list-style-type: none"> – Everyone in Belfast benefits from a thriving and prosperous economy – Belfast is a welcoming, safe, fair and inclusive city for all – Everyone in Belfast fulfils their potential – Everyone in Belfast experiences good health and wellbeing – Belfast is a vibrant, attractive, connected and environmentally sustainable city
3.6	<p>As well as supporting the Belfast Agenda, the strategy also responds to and helps to define the role of culture across other priority areas including:</p> <ul style="list-style-type: none"> - Local Development Plan - City Centre Regeneration and Investment Strategy - Good Relations Strategy - Open Spaces Strategy
3.7	<p>This work has also taken into consideration Council’s involvement in 100 Resilient Cities. In addition, the strategy has considered the wider context including ongoing public funding cuts and the need for a long-term approach to support the sustainability and resilience of the cultural sector whilst setting ambitious growth targets. Belfast City Council will also be making a submission to the public consultation on the Arts Council of Northern Ireland’s draft 5 year Framework to reflect the ambitions set out in this draft strategy.</p> <p><u>The process</u></p>
3.8	<p>The approach to developing this strategy has strongly focussed on engagement with citizens and with city partners. This has included:</p> <ul style="list-style-type: none"> – Holding 62 civic conversations – Engaging with 5361 citizens – Supporting 625 creators – Working with 106 artists – Across 85 places – Through 137 events
3.9	<p>The approach has been shaped by two external bodies of work. The first is Agenda 21 for Culture – an international methodology that supports cultural development in cities and regions. The focus of Culture 21 is to embed culture as the fourth dimension of sustainable</p>

	<p>cities alongside existing economic, social and ecological pillars. Belfast's participation in the Culture 21 pilot cities programme has already been approved and this programme will support the implementation of this strategy.</p>
3.10	<p>The second set of recommendations that have helped inform this strategy is the recently published Cultural Enquiry by the Core Cities network of which Belfast is a partner member. This enquiry presents a number of practical recommendations on investment and governance of culture in cities. This presents an opportunity for a collaborative model to be taken forward that complements the community planning process and sets shared priorities for culture along with a more effective approach to investment to maximise the overall return. This involves working closely to leverage new sources of finance including public-private models.</p>
	<p><u>The strategy</u></p>
3.11	<p>The strategy, <i>A City Imagining</i>, opens with a cultural statement for the city shaped by the thousands of conversations that have taken place since 2017 as part of the ongoing public engagement programme. This is then taken forward through an overall cross-cutting thematic approach to the strategy with each theme having a particular area of focus as follows.</p>
3.12	<p>Theme 1: A City Belonging – focuses on supporting active citizenship and participation in cultural life.</p> <p>Theme 2: A City Challenging – focuses on diversity through use of public and cultural spaces.</p> <p>Theme 3: A City Creating – focuses on supporting innovation and creativity across the cultural sectors.</p> <p>Theme 4: A City Exploring – focuses on Belfast's relationship to the rest of the world both inward and outward including support for cultural tourism.</p>
3.13	<p>Four strategic priorities are set out for each theme. The result is a strategic framework consisting of 16 key priorities to be delivered by 2030. Each of these priorities will be further developed in the next phase of the programme through detailed implementation plans.</p>
3.14	<p>The document also sets out a number of key strategic milestones throughout the ten-year period. These include:</p> <ul style="list-style-type: none"> - Launching a new approach to events and festivals in the city - Producing an international year of culture in 2023 - Bidding for UNESCO City of Music in 2021

- Delivering a new visitor attraction in the city centre and local neighbourhood tourism programme to open in 2024

3.15 These specific initiatives are considered to be central to delivering on the city's overall targets for the period and to attract new forms of investment into the city with significant cultural, social and economic impacts.

3.16 Critically the strategy considers the governance and investment model required to deliver this type of long-term transformation clearly positioning Belfast as a regional driver.

3.17 The purpose of the strategy document is to present the overall approach and commitments over a ten year period. The next phase of work will give detailed consideration to how this will be delivered in line with the timeframe detailed below. This will include the development of initial three year implementation plans that as well as being cross-cutting will specifically address:

- Arts and Heritage
- Events and Festivals
- Tourism product development including neighbourhood tourism
- Major strategic initiatives

3.18 These will be supported by a proposed investment model, communications strategy and evaluation framework.

	<u>Financial & Resource Implications</u>	
3.20	There are currently no immediate financial implications to this report. The final strategy will be supported by implementation plans and a detailed finance and resource plan will be presented to Committee in September 2019 as part of the next phase of work.	
	<u>Equality or Good Relations Implications/ Rural Needs Assessment</u>	
3.21	Equality and good relations have been central to the development of the Cultural Strategy to date and will continue to be considered as the investment model and implementation programmes are developed.	
3.22	Input has been sought from the Council's Equality and Diversity Officers to inform the strategic level assessment in terms of equality, good relations and rural needs. With a vision of cultural inclusivity and diversity in the Strategy and through the significant programme of engagement, the Cultural Strategy is likely to have a positive impact in terms of promoting equality and good relations in the city. There may be opportunities to increase levels of participation and engagement in cultural life in the city for certain groups such as older people, disabled people and those from minority ethnic backgrounds.	
3.23	In line with the guidance from the Equality Commission and the commitment to engagement that has informed the Cultural Strategy; the strategic level equality impact assessment report will be subject to a 12 week public consultation period. This will accompany the formal consultation on the draft Cultural Strategy. The equality impact assessment will be updated as a result of this feedback. The information will be used to inform the final Cultural Strategy and the development of the investment model and implementation programmes.
