Foreword

As the democratically elected body representing the people of Belfast, it's important for us to be conscious of the Disability Discrimination Act 1998 when carrying out our functions and providing civic leadership.

This Disability Action Plan is an important document which reaffirms Belfast City Council's commitment to fulfilling our statutory obligations in compliance with Section 49A of the Disability Discrimination Act 1995 (as amended by the Disability Discrimination (NI) Order 2006) which places new duties on public authorities to:

- promote positive attitudes towards disabled people
- encourage participation by disabled people in public life.

The council’s Disability Action Plan (hereinafter referred to as ‘the Plan’) sets out how we propose to positively meet these new duties.

The council exists to serve the people of Belfast and to provide civic leadership on issues of concern to the people who live and work in the city.

We will ensure that all councillors and council employees are aware of the DDO disability duties. We will take the lead to ensure that the necessary resources are made available for preparing councillors and employees to deliver the actions set out in this Plan. We wish to ensure that the Disability Action Plan is implemented effectively in the true spirit of our commitment to the DDO duties.

1. **Introduction**

1.1 Section 49A of the Disability Discrimination Act 1995 (as amended by the Disability Discrimination (NI) Order 2006) requires us, in carrying out our functions, to:

- promote positive attitudes towards disabled people; and
- encourage participation by disabled people in public life.

Under Section 49B of the DDA 1995, Belfast City Council is also required to submit to the Equality Commission a **Disability Action Plan** showing how it proposes to fulfil these duties in relation to its functions.

1.2 Belfast City Council is committed to the fulfilment of these disability duties in all parts of our organisation and have set out how we intend to do this in our Disability Action Plan.

We will allocate all necessary resources (in terms of people, time and money) in order to implement effectively this Plan and where appropriate, build objectives and targets relating to the disability duties into corporate and annual operating plans.

We will also put appropriate internal arrangements in place to ensure that the disability duties are complied with and this Disability Action Plan effectively implemented. We will ensure the effective communication of the Plan to staff and provide all necessary training and guidance for staff on the disability duties and the implementation of the Plan.

We confirm our commitment to submitting an annual report to the Equality Commission on the implementation of this Plan as well as carrying out a five yearly review of this Plan.

We are committed to consulting with disabled people when implementing and reviewing the council’s disability plans.
1.3 We will undertake a planned programme of communication and training on the
disability duties for all staff and councillors. This training will coincide with our
induction training, refresher training and councillor training on disability. Training
timescales are evidenced in the Plan.
