Appeal of Judicial Review decision

- 3.8 Further to this decision, Oasis Retail Services Limited appealed the outcome of the Judicial Review and the Court of Appeal decision, delivered on 24 September 2018, resulted in the quashing of the decision of the Council to grant a permit to Hazeldene Enterprises Limited for premises at Botanic Avenue.
- 3.9 The Court of Appeal found that the question was not whether the Committee had ultimately in fact considered cumulative impact, rather, it was whether the Committee had wrongly interpreted its policy, i.e. that an application met criterion 2 of the Policy simply because there was no other arcade on that commercial frontage.
- 3.10 The Court of Appeal held that it was wrong to say that the cumulative impact criterion is met because there was no other arcade on the commercial frontage. They found that the Committee is required to consider the cumulative impact of the grant of requested permits on the character of the area and that in its decision, the Committee mis-interpreted the policy.
- 3.11 Committee is required to consider the cumulative impact of the grant of requested permits on the character of the area. The existence of other arcades on the commercial frontage is one, but only one, relevant factor. The assessment of cumulative impact should not however amount to an assessment of need.
- 3.12 The effect of the Judgement of the Court of Appeal to quash the decision is that the Licensing Committee must meet again to consider the application afresh and in light of the Judgement. The Council understands that the premises are continuing to trade pending the Committee's reconsideration of the application.
- 3.13 Members are advised that a review of the Policy is overdue but has been delayed pending the outcome of the judicial review proceedings.
- 3.14 After the permit was granted at Committee on 6 October 2014 it was first issued on 1 March 2017 upon completion of works to the premises. Application to renew the permit was made in January 2018 and the permit was granted under the Scheme of Delegation for the period 1 March 2018 to 28 February 2019. A further application to renew the permit was received on 10 January 2019 but, further to the Court of Appeal decision, this has not been considered.

Applicant

- 3.15 For the application considered in 2014 the applicant made a request to operate the premises on Monday to Sunday from 8am to 5am the following morning. However, at the Committee meeting on 6 October 2014 the applicant agreed to operate on the days and hours that were in accordance with their planning permission; Monday to Saturday from 9am to 11:30pm and Sunday from 12pm to 11:30pm.
- 3.16 The applicant has since been granted amended hours by Planning and the current opening hours are now on Monday to Saturday from 9:30am to 6am the following morning and on Sunday from 12pm to 6am the following morning.
- 3.17 The permit is for a total of 227 gaming machines, all of which are to pay out a maximum all cash prize of £25. During an inspection of the premises on 1 March 2019 the actual number of machines on the premises was 154.
- 3.18 Mr Burns and/or his representatives will be available to discuss any matters relating to the grant of the permit at your meeting.

PSNI

- 3.19 The PSNI has been consulted and, as enforcement of this legislation is a police matter, we suggested that they may wish to seek their own legal advice in relation to the continued operation of the premises in these unusual circumstances.
- 3.20 In relation to the original application we enquired if there had been any action taken by PSNI regarding the surveillance material forwarded to them from both the applicant (Hazeldene) and the objector (Oasis) prior to Committee on 6 October 2014. They have confirmed that no action was taken in response to this material.
- 3.21 Since the permit was issued in 2014 the police have not recorded any complaints regarding this establishment nor intervened in any disturbances which may be attributed to that premises.
- 3.22 The PSNI, having no other relevant information to offer, has confirmed that they have no objections to the application. The police have been invited to your meeting should you have any queries in relation the application. A copy of their correspondence is attached as Appendix 3.

NIFRS

- 3.23 The Northern Ireland Fire and Rescue Service has been consulted in relation to the application and confirmed that they have no objections to the application.

Health, Safety, Welfare and Technical requirements

- 3.24 After the application was granted by Committee on 6 October 2014, the applicant submitted a Building Regulations application and the works undertaken have been completed satisfactorily.

Planning matters

- 3.25 A planning application was made to the Planning Service on the 24 October 2013 for a change of use (second floor only) to an Amusement Arcade. This was granted on the 25 March 2014.
- 3.26 A copy of the planning permission is attached as Appendix 4.
- 3.27 The Committee may be aware that in an important Court of Appeal decision in June 1999, it was confirmed that the Council, in determining applications for Amusement Permits, may take into account planning considerations but should be slow to differ from the views of the Planning Authority.
- 3.28 The Court also confirmed that the Council can take into account matters such as location, structure, character and impact on neighbours and the surrounding area.

Amusement Permit Policy

- 3.29 Members will be aware that the Council's Amusement Permit Policy was ratified at Council on 1 May 2013. It outlines those matters which may be taken into account in determining any application and indicates that each application must be assessed on its own merits.

The key Policy objectives are to:

| | |
|------|---|
| | <ol style="list-style-type: none"> 1. Promote the retail vibrancy and regeneration of Belfast; 2. Enhance the tourism and cultural appeal of Belfast by protecting its image and built heritage; 3. Support and safeguard residential communities in Belfast; 4. Protect children and vulnerable persons from being harmed or exploited by gambling; 5. Respect the need to prevent gambling from being a source of crime and disorder. |
| 3.30 | <p>The Policy consists of two components which are considered below:</p> <ol style="list-style-type: none"> 1. <u>Legal requirements under the 1985 Order</u> |
| 3.31 | <p>Members must have regard to the legal requirements under the 1985 Order relating to:</p> <p>(a) The character, reputation and financial standing of the applicant:</p> |
| 3.32 | <p>References for the applicant are attached as Appendix 5 to the report for consideration.</p> <p>(b) The nature of the premises and activity proposed:</p> |
| 3.33 | <p>To ensure that the nature of the premises proposed is suitable for this location Members may consider how the premises are illuminated, the form of advertising and window display, and how notices are displayed on the premises. Whilst the appearance of amusement arcades is considered a planning matter, Members may still wish to be satisfied that the façade integrates with adjacent frontages.</p> <p>(c) Opinions of the Police:</p> |
| 3.34 | <p>The Police comments have been sought and reference is made in paragraph 3.19 of the report and attached as Appendix 3.</p> <p>(d) Submissions from the general public:</p> |
| 3.35 | <p>No objections have been received as a result of the public notices placed in three local newspapers. Solicitors for the original objector have been asked whether they wish to make any further representations on several occasions and have been referred to the Committee's Operating Protocol which requires objections to be made three weeks in advance of the Committee meeting so that they can be shared with the applicant. To date no further representations have been provided.</p> <ol style="list-style-type: none"> 2. <u>Assessment criteria for suitability of a location</u> |
| 3.36 | <p>There are five interrelated criteria set out in the Policy that should typically be considered when assessing the suitability of a location for an amusement arcade. These are detailed below as they relate to this application.</p> |
| 3.37 | <p>Before considering each of these criteria it should be noted at the outset that this is a grant application because of the Judgement of the Court of Appeal and the Licensing Committee must consider the application afresh and in light of the Judgement.</p> <p>(a) Retail vibrancy and regeneration of Belfast:</p> |
| 3.38 | <p>The application premises are on the second floor of the former Arts Theatre building on Botanic Avenue. They are located outside the Retail Core of Belfast City Centre but within the limit of the City Centre, as defined in the Belfast Metropolitan Area Plan 2015 (BMAP).</p> |

They are bordered on one side by the railway line and on the other side by office use. They do not therefore break up a continuous shopping frontage.

(b) Cumulative build-up of amusement arcades in a particular location:

3.39 In the desire to promote retailing in the City Centre the Council is keen to avoid a clustering of amusement arcades at a given location. Accordingly, it restricts the number of amusement arcades on a commercial frontage to one. There are no other amusement arcades on this commercial frontage.

3.40 In assessing cumulative build up the Committee is also required to more broadly consider the issue of the proliferation of permits and the effect of same on the character and amenity of an area.

3.41 This particular location is within the City Centre but outside its Retail Core and its character is defined by a mix of mainly commercial uses, including shops, offices, eateries and licensed premises. Some of these licensed premises include other amusement arcades operating nearby within a walking distance of 200m. These include: Oasis, 14 Shaftesbury Square; Players, 22 Shaftesbury Square; and Mavericks, 28 Bradbury Place.

3.42 A map of nearby premises and existing amusement arcades in the City Centre is attached to this report at Appendix 6.

(c) Impact on the image and profile of Belfast:

3.43 Whilst the Arts Theatre once performed an important role in hosting plays and various acts in Northern Ireland it was vacant for a considerable period of time until becoming operational again in recent years for use as a bingo hall and more latterly as an amusement arcade. The building is not listed and it has lawful development consent for use as a bingo hall and the incorporation of a slot machine area. Taking these considerations on board the application premises are not considered a tourism asset. The site is also not located at a recognised Gateway location into Belfast City Centre.

(d) Proximity to residential use:

3.44 (i) - predominantly residential in character

The application premises in the former Arts Theatre are located in the City Centre but outside the Retail Core, which contains the City's prime shopping streets. The premises are situated above ground-floor retail and commercial units. A mix of uses is found in this area including shops, restaurants, offices and licensed premises.

This location can therefore be viewed as a 'mixed use' area and not one that is predominantly residential in character. Residential use is mainly found in the streets leading off Botanic Avenue.

3.45 (ii) – non-residential property that is immediately adjacent to residential property

The nearest residential property to the application premises is a first floor flat at 34 Botanic Avenue. It is located approximately 19m across from the application site on the opposite side of the road and is not immediately adjacent to it.

(e) Proximity to schools, youth centres, and residential institutions for vulnerable people:

| <p>3.46</p> <p>3.47</p> <p>3.48</p> <p>3.49</p> <p>3.50</p> <p>3.51</p> | <p>There are no schools, youth centres, or residential institutions for vulnerable people within 200m of the application premises.</p> <p>Conclusion</p> <p>On balance, the application premises broadly satisfy the criteria for assessing the suitability of a location for an amusement arcade as laid down in Belfast City Council's Amusement Permit Policy.</p> <p>In addition to the above legal requirements and assessment criteria Members may take into account any matter which is deemed relevant. Members may also depart from the Policy where it is appropriate to do so, although it is envisaged that this should only happen in exceptional circumstances.</p> <p>A copy of the Council's Amusement Permit Policy is attached for your information and reference as Appendix 7.</p> <p><u>Financial & Resource Implications</u></p> <p>There are no financial or resource implications associated with this report.</p> <p><u>Equality or Good Relations Implications/Rural Needs Assessment</u></p> <p>There are no equality or good relations issues associated with this report.</p> |
