

## Appendix 1 - New Website Design templates

### Homepage (top)

The image shows a mockup of the Belfast City Council homepage. At the top left is the Belfast City Council logo. To its right is a navigation menu with links for Home, Council, Careers, News, Investment, Services A-Z, and Contact. Further right are icons for 'Browsedown' and 'Accessibility', and a search icon. The main header area features a large background image of a cityscape and a prominent heading: "How can we help you?". Below this heading is a search bar labeled "Search Belfast City Council". Underneath the search bar are four quick-action links: "Bin and box collections", "Events", "Report problem with bin", and "Order a bin". The central part of the page is a grid of eight service tiles, each with an icon, a title, a short description, and a "More" link. The tiles are: "Bins and recycling", "Street cleaning", "Events", "Planning applications", "Building control", "Property and homes", "Environment and waste", and "Parks and open spaces". Below the grid is an "A-Z of services" section with a horizontal list of letters from A to Z. The bottom section is a teal-colored banner titled "Latest news" with a "More news" link. It contains three news items, each with a date, a photo, a headline, and a "Full story" link. The news items are: "10-12 May: Plans announced for further public realm improvements in Belfast city centre", "19 Feb: Council's new Green and Blue infrastructure plan will help protect environment", and "19 Feb: Belfast City Council to hold special meeting regarding current virus crisis".
