

Issues Raised in Advance by Members

Circulation of Applications Received (Councillor McKeown to raise)

Building Control to implement a process to circulate a list to all councillors of Entertainments Licence, Amusement Permit, Street Trading, Pavement Licence and Road Closure applications that have been received by the service. This is to be sent out on a fortnightly basis electronically with applications identified by type, address, and DEA, with contact information for members who wish to seek further details or raise objections to an application.
