

Guiding Principles for Community Planning (Action Plans)

✓ Adding Clear Value	We can achieve significant gains by collaborating across our partnership and sectors in a way we cannot through our existing single agency or thematic 'business as usual'.
✓ Impact for Belfast's people, place, economy	The work we deliver together will be felt in practical ways by individuals, families, communities, residents and businesses in Belfast, delivering tangible outcomes.
✓ With Belfast's Communities	The work we do will fully engage Belfast's residents, communities and businesses, building on their strengths and ensuring their voice is central to planning and delivery. We will work 'with and alongside' our Communities, not 'To or For' them.
✓ Intelligence led priorities and action	We will focus our collaboration on the things that data, evidence and community insights tell us matter most to Belfast and we will deliver together in ways that evidence tells us will make a real difference.
✓ Resourcing	Delivery will require joint resourcing and effort, (i.e. staff time, services or investment). Should be a leadership commitment to jointly resource the initiative.
